

Wendy's Gymnastics & Fitness
for children

November 3, 2008

Dear Parents,

Thank you for your continued interest in your child's gymnastics experience at Wendy's Gymnastics & Fitness. We have truly enjoyed working with your child during the Fall Quarter and would like the opportunity to provide the best in children's gymnastics and motor development education into the Winter Quarter. The classes for our Winter Quarter will begin on January 5, 2009 and will continue through March 13, 2009.

Because your child is enrolled in our program this Fall Quarter, you will receive priority registration for the class in which your child is currently enrolled. We have added a few classes to the winter schedule; your family will receive priority in these new classes as well.

Priority registration for the Winter Quarter begins today and ends on November 14, 2008. We will open registration to new students then. Simply fill out the following priority registration form and return it to our office as soon as possible.

Once again, thank you for being a part of our Fall Quarter. We look forward to seeing you and your family this winter!
