

February 15, 2010

Dear Parents,

Thank you for your continued interest in your child's gymnastics experience at Wendy's Gymnastics & Fitness. We have truly enjoyed working with your child during the Winter Quarter and would like the opportunity to provide the best in children's gymnastics and motor development education into the Spring Quarter. The classes for our Spring Quarter will begin on March 29, 2010 and will continue through June 5, 2010.

Because your child is enrolled in our program this Winter Quarter, you will receive priority registration for the class in which your child is currently enrolled. We have added a few classes to the spring schedule; your family will receive priority in these new classes as well.

Priority registration for the Spring Quarter begins today and ends on February 26, 2010. We will open registration to new students then. Simply fill out the following priority registration form and return it to our office as soon as possible. Please call us at (614) 486-8004 with any questions you may have.

Once again, thank you for being a part of our Winter Quarter. We look forward to seeing you and your family this spring!
